

ENHANCE THE BEST OF WHO YOU ARE

To perform this spell, first you need to decide what it is about yourself that you want to enhance. Do you want to be more spiritual, more experienced in worldly affairs, or more sure of yourself? Think of your best traits — which do you want to improve or maximize?

WHAT YOU NEED

- ★ **Red pen/pencil**
(to enhance fire
energy and augment
your desire)

Once you have decided what you want to enhance, hold this trait in your mind as you perform this knotting spell. Knotting spells are highly empowering, active spells that focus vision and seal intention.
